

Computer Vocabulary

Play this game with a partner. You will explain the list of Chat Jargon or Computer Jargon to your partner.

One of you choose **Chat Jargon** and the other choose **Computer Jargon**. First, look at the of words below. Can you explain what they all mean? If not, click on **Chat Jargon** or **Computer Jargon** and read the article. When you're both ready, return to this page and ask your partner what each word or expression means and have them explain it to you.

Remember to ask the question correctly!
